

## **Westmoreland School Counselors Association**

A Message from WSCA President, Torrie Sparks

Thank you for being a member of the Westmoreland School Counselors Association. Along with the rest of the Executive Team, Lindsay Schoeneberger( Vice President), Lisa Mumau (Past-President), Beth Butela (Recording Secretary), Jenna St. Mars (Membership Secretary), and Dennis Gates (Treasurer) have made a commitment to carrying on the great work and momentum of this amazing organization.

Both Lindsay and I are also part of the Leadership Board of PSCA, so you will be kept up-to-date on all the new and exciting initiatives that our state organization has been working on. There is the new "Pennsylvania Diamond School Counseling Program Recognition" award that will be awarded to all schools in PA that receive RAMP recognition through ASCA. There are only 14 schools in the ENTIRE STATE OF PA with RAMP recognition. Let's work together to get that number higher!

I encourage all of you to attend all of our meetings this year, as there is always important and useful information presented. If you have any questions or concerns, please feel free to contact me at [tsparks@casdfalcons.org](mailto:tsparks@casdfalcons.org). I look forward to leading our organization for the next 2 years.

Gratefully,

A handwritten signature in blue ink, appearing to read "Torrie", is written over the printed name.

Torrie
